

Instruction on  
**MAKING PAYMENTS FOR  
MICROINVEST LOANS,**  
through the online platform 

To make the payment through the runpay online platform, the following steps must be taken:

**1** Go to [my.runpay.com](https://my.runpay.com)

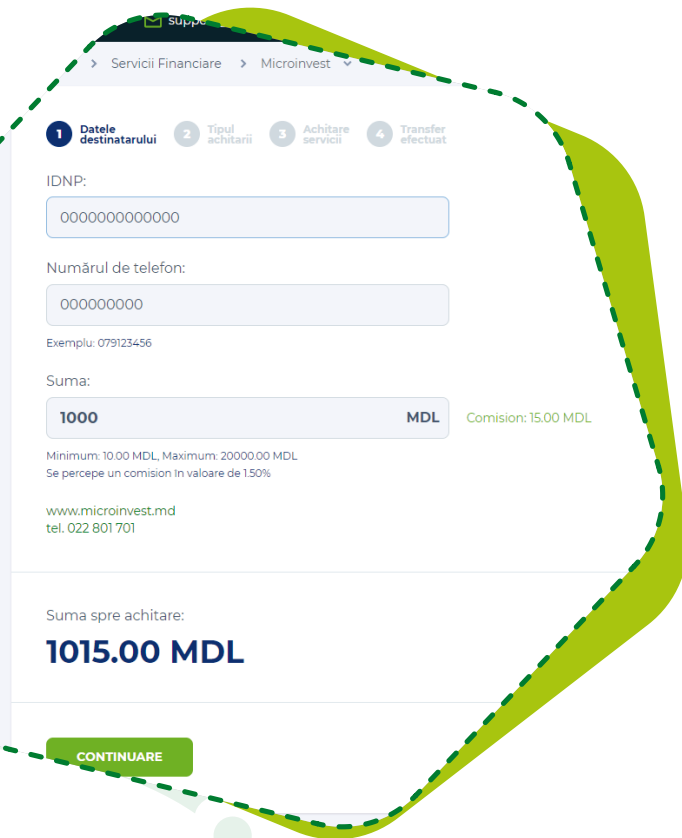

**2** Choose **Financial Services** in the services section.

**3** Choose **Microinvest**

4

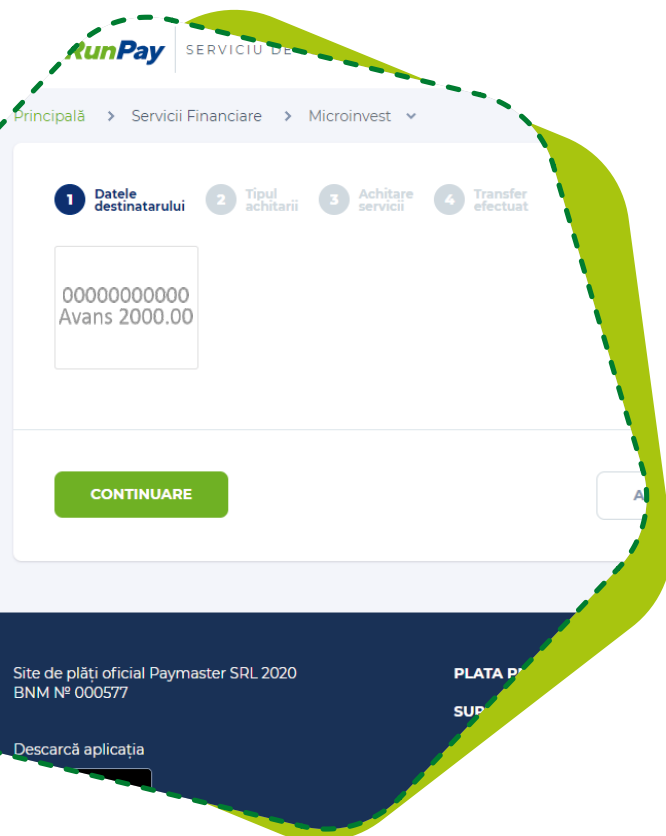

Fill in the data required to make the payment: IDNP, phone number (indicated when the loan was given) and the sum to be paid. Click on the **Continue** button

The screenshot shows a mobile application interface for Microinvest. At the top, there is a navigation bar with 'Servicii Financiare' and 'Microinvest'. Below this is a progress indicator with four steps: 1. Datele destinatarului (highlighted), 2. Tipul achitarii, 3. Achitare servicii, and 4. Transfer efectuat. The form contains the following fields: IDNP (000000000000), Numărul de telefon (000000000, with an example 079123456), and Suma (1000 MDL, with a commission of 15.00 MDL). A note states: 'Minimum: 10.00 MDL, Maximum: 20000.00 MDL. Se percepe un comision în valoare de 1.50%'. At the bottom, the total amount to be paid is 'Suma spre achitare: 1015.00 MDL' and a green 'CONTINUARE' button is visible.

5

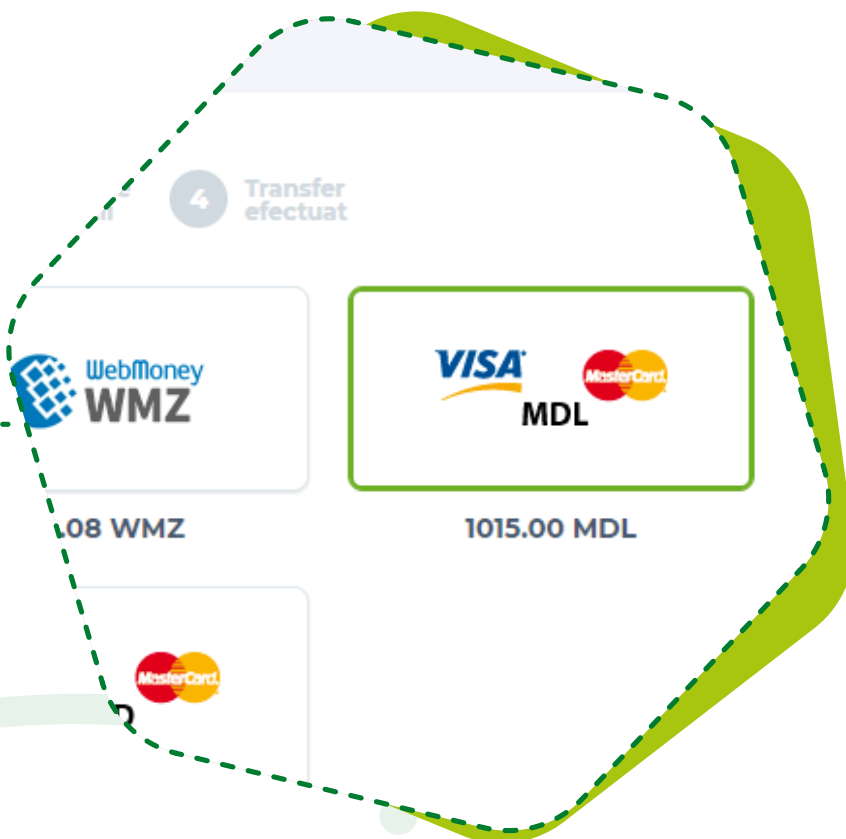

Select the loan to be paid on and click **Continue**

The screenshot shows the 'RunPay' interface for selecting a loan. The navigation bar includes 'Principala', 'Servicii Financiare', and 'Microinvest'. The progress indicator shows step 1 'Datele destinatarului' as the active step. A large input field contains '000000000000' and 'Avans 2000.00'. A green 'CONTINUARE' button is at the bottom. The footer contains the text: 'Site de plăți oficial Paymaster SRL 2020 BNM № 000577', 'Descarcă aplicația', and 'PLATA P... SUP...'. A large 'MICROINVEST' watermark is overlaid on the background.

6

Choose the payment type with what we want to pay, (e-wallet, card), accept the rules of use and click **Pay**

7

Enter the cardholder's details and click **Continue** to complete the payment.
